# INTRODUCTION

The Project 2015 was launched and adopted on November 6<sup>th</sup>, 2010 during our 16<sup>th</sup> National General Convention in Philadelphia, PA under the leadership of President J. Sackie Kennedy with the aim of “ Restoring and Elevating William V.S. Tubman High School to New Height!”

We were privileged and honored to be appointed by the leadership of President Saywalah Kesselly with two mandates:

- ❖ To assess the overall needs of William V.S. Tubman High School in Monrovia, Liberia; and
- ❖ To facilitate Fund drives, Educational Materials and secure Human Resources

# WHO WE ARE?

- ❖ We are Members of the National Alumni Association of Lab/Tubman High school in the Americas and graduates of William V.S. Tubman High School.

Professionals with different background who have reaffirm our commitment to implement the mandates challenging us to design and strategize plans to improve and enhance the physical, academic and social development of our Alma Mater

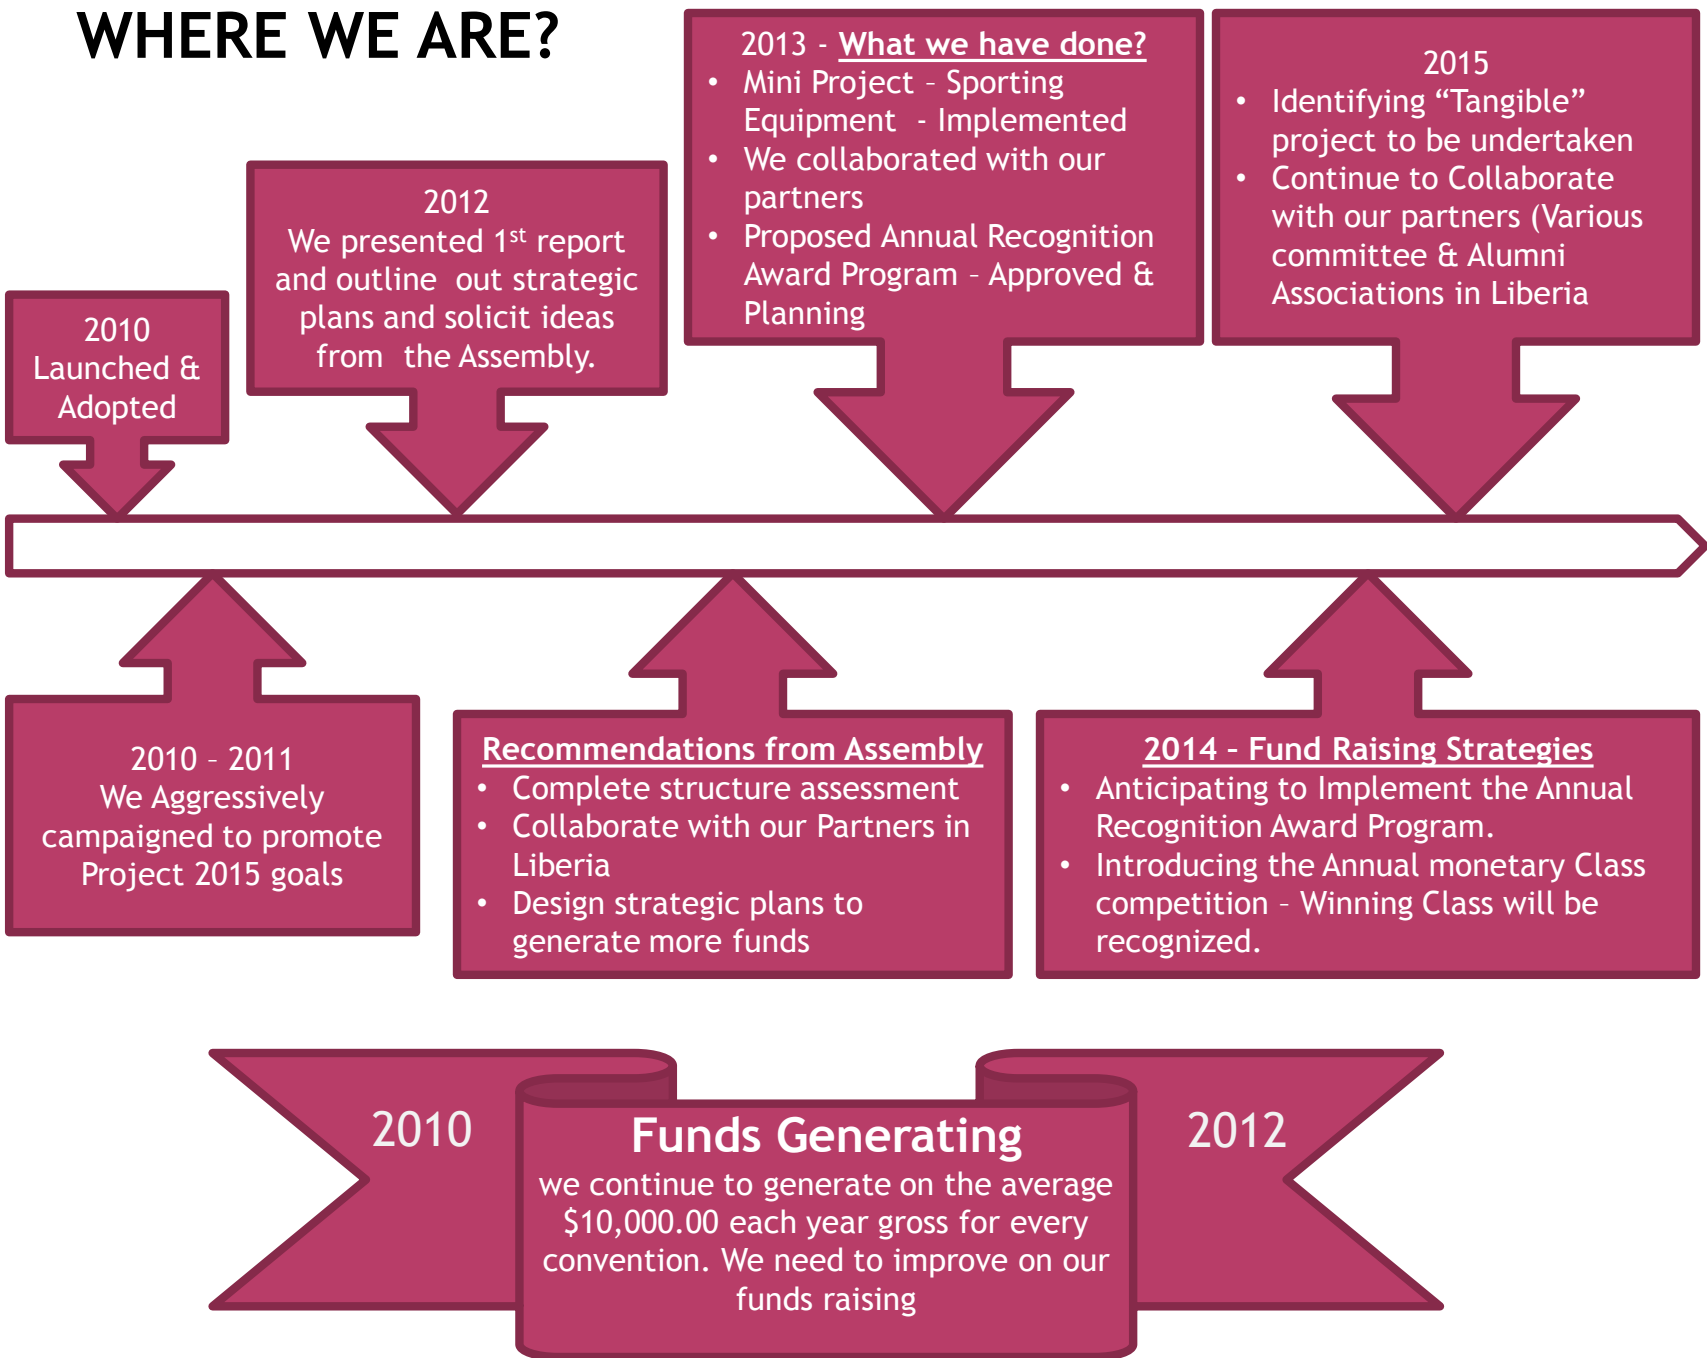

# WHY PROJECT 2015?

There's a frantic need to refurbish William V.S. Tubman High School which lies in devastation with its physical structure crumbling and instructional facilities tumbling-down and its incapacitated to meet the aims for which it was established. With these ailing conditions Project 2015 was launched and adopted during the 16<sup>th</sup> National General Convention.
